

VALUE series

Value Series Short Traditional Panel shown in White

1-LAYER CONSTRUCTION

SHIPLAP SECTION JOINT

1 STEEL

Single-layer, non-insulated steel construction provides beauty and durability at an economical value.

STYLE AND CONSTRUCTION

- 1-layer construction (steel).
- Woodgrain embossed steel base door painted front and back for a virtually maintenance-free door.
- Quality 24 or 25 gauge steel and 2" thick frame construction for durability and longevity.
- Woodgrain textured short and long raised panel designs in 1-layer construction complement traditional home styles.

COLOR OPTIONS					PANEL OPTIONS
